PROFESSIONAL SUMMARY

B.Tech CSE student (GTB4CEC – IP University, 2028) building full-stack products, AI-powered tools, and anything worth shipping — from Delhi NCR. Architected and shipped a live legal research platform serving 40+ active readers. Trained 30+ voice artists for AI model pipelines. Interned at Flipkart Samarth. Strong frontend engineering foundation (Next.js, React, GSAP, TypeScript) paired with backend and automation depth. Seeks SWE / Frontend / Full-Stack / Product Engineering internship roles.

TECHNICAL SKILLS

Frontend	React, Next.js, TypeScript, Tailwind CSS, GSAP, HTML5, CSS3 — animations, interactive UI systems
Backend	Node.js, Express.js, RESTful API design, MongoDB, Supabase (PostgreSQL)
Languages	JavaScript, TypeScript, Python, C, SQL
AI / Automation	Prompt Engineering, LLM Integrations, n8n, Gemma models, Siri & Alexa API workflows
Systems / Tools	Linux (2+ yrs), Git, GitHub, npm/npv, VS Code, Vercel, MCP ecosystem
Security / OSINT	Shodan, SpiderFoot, OSINT methodology
Game Dev	Python (custom engine), procedural generation, 3D lane logic, particle systems, day/night cycles
Creative	Audio Engineering, Voice Modulation, Camera Ops, BTS Production, Post-Production Coordination

EXPERIENCE

Flagship Lead Developer & Architect

2024 – Present

National Legal Observatory | [legal-observatory.vercel.app](#)

- Architected and shipped a Next.js academic publication journal and legal research platform from zero.
- Engineered a custom multi-stage review process (Draft → Editorial Board → Revision → Live Publishing) with live search, serving 40+ active readers and 11 active subscribers.
- Designed relational database schema in PostgreSQL/Supabase; integrated judges, lawyers, and teachers as contributors.
- Sole engineer and technical co-founder — owned architecture, deployment, and all feature development end-to-end.

Stack: [Next.js](#) · [TypeScript](#) · [Supabase](#) · [PostgreSQL](#) · [Tailwind CSS](#) · [Vercel](#)

Athletics Coach & Team Lead

Mar 2024 – Nov 2024

GBL (Gurugram Basketball League) Team

- Led and coached an 11-player basketball squad — implemented training schedules, offensive plays, and game strategies.
- Fostered high-agency decision-making, team collaboration, and structural leadership across the season.

Voice AI & Operations Trainer

Mar 2025 – Nov 2025

Voice AI Operations — Gurugram / Remote

- Managed and trained 30+ voice artists to adapt performance standards for AI model training pipelines, in parallel with commercial voice projects including Pokémon UNITE via Crossover Media.
- Directed a dedicated team of 5 audio editors to compile high-quality vocal datasets for AI training.

Voice Production & Industry Operator

Nov 2019 – Present

Voice Over Production — Remote / Regional

- Completed 200+ voice production projects for 70–90 clients across commercial and creative media.
- Delivered high-profile campaigns for Sunfeast ('Dil Maange More'), Man of Action, and ongoing content for Brazzers.
- Managed recording processes, studio setups, and client communications end-to-end.

Operations & Tech Support Intern

Feb 2025 – Apr 2025

Flipkart Samarth — Gurugram, India

- Provided operational support and troubleshooting for seller onboarding workflows.
- Assisted onboarding staff with technical support, ensuring system uptime and efficient operations.

[Stack: Node.js](#) · [Express.js](#) · [MongoDB](#) · [REST APIs](#)

Paid Production & Camera Operator

2025

Camera Crew (Freelance)

- Collaborated within an 18-member production crew on paid multi-city video production shoots.
- Operated camera rigs and compiled BTS documentation and content.

Software & Automation Developer

2024 – Present

Independent Products

- Built local home automation systems integrating Gemma models, Siri, and Alexa APIs.
- Designed smart-room control scripts for household appliances — lights, fan, AC, purifier, lock, projector, and sound systems.

PROJECTS

Spider-Man Portfolio — [utkarshmanitripathi.vercel.app](#)

[Next.js](#) · [GSAP](#) · [React](#) · [TypeScript](#) · [Tailwind CSS](#)

- Designed and engineered a heavily animated, interactive personal portfolio with custom animation systems, creative design language, and search functionality.
- Demonstrates advanced frontend engineering — smooth scroll, physics-based motion, and responsive UI across all devices.

National Legal Observatory — [legal-observatory.vercel.app](#)

[Next.js](#) · [TypeScript](#) · [Supabase](#) · [PostgreSQL](#) · [Tailwind CSS](#)

- Live academic journal and legal research platform with newsletter, multi-stage editorial pipeline, and 40+ active readers.
- ISSN licensing underway; supported by reviewers including lawyers, judges, and law faculty.

Stickman Runner

[Python](#) · [Browser JS](#) · [Pygame](#) · [Procedural Generation](#)

- Built a cross-platform endless runner (Python + browser version) with day/night cycle, particle systems, sound effects, and procedural obstacle generation.

Home Automation System (Open Jarvis)

[Python](#) · [Gemma](#) · [Siri API](#) · [Alexa API](#) · [Voice Workflows](#)

- Local AI-powered home automation controlling lights, AC, purifier, projector, lock, and audio systems via voice and scripted workflows.
- Integrates local LLMs (Gemma), Siri, and Alexa — no cloud dependency for core control logic.

EDUCATION

B.Tech – Computer Science Engineering

2024 – 2028 (Expected)

GTB4CEC (G.T.B. Institute of Technology) – IP University | G-8 Rajouri Garden, Delhi

- Relevant: Data Structures, DBMS, OOP, Operating Systems | 2nd Year — entering 3rd Year (2025)

Senior Secondary (Class XII) – Science / PCM (CBSE)

Completed 2024

Ryan International School — Sohna Road, Bhondsi, Gurugram

ACHIEVEMENTS & LEADERSHIP

- Shutterfly Media Team (College) — Camera & Editing lead.
- Fierce Falcons — Gold Medal.
- Hindi Literary Society — Storytelling contributor.
- Top Performer at Manor Courses Summer School, UK — international academic enrichment programme.
- Awarded 10 Shields at Young Learner's English Course (Oxford).
- English C1 Advanced (Council of Europe Framework) · Hindi Native · French A2 Elementary.
